Dear **Balakumar I,**

Congratulations!

As Maveric celebrates 25 years of Banking and Financial Services (BFS) technology transformation, we take immense pride in our journey. Today, we are positioned as trusted specialist to global and regional financial institutions for driving their operations and technology transformation, with deep competencies in AI, Data, and Automation.

This milestone reflects our unique ways of working, anchored in the core values of **Drive, Commitment, Care, and Integrity**. These values are the very DNA of how we work, lead, and grow together shaping associate experiences, building strong client relationships, and driving meaningful business impact.

This remarkable progress would not have been possible without the passion and dedication you bring to your work and every customer interaction.

I am pleased to inform you that, based on a review of your past contributions and the potential you hold, your compensation is being revised to **INR 5,50,700 per annum**, effective **1st April 2025**. Please refer to the Salary Annexure for more details. Your next performance review is scheduled for **April 2026**.

We are now poised to enter the promising mid-sized, banking and financial services-only technology service provider segment, with an ambitious target of reaching USD 200 million in revenue by 2028. Towards this, we have reorganized into a regional structure comprising **UK & EMEA** and **North America (NAM)**, to drive our growth objectives.

Achieving our vision depends on our continued ability to build cutting-edge capabilities in AI powered banking technologies, develop demonstrable accelerators in areas such as AI/ML, cloud, and automation, and nurture a culture of

- Youthful energy and learning agility
- Unwavering commitment to customer success
- A mindset open to challenges & continuous improvement

As always, I count on your leadership and support to accelerate next together.

Regards,

Pankaj Misra
Director
